Consumable-Tied Agreements

Get the capital equipment you need with no upfront cash outlay by committing to disposable or implant purchases.

Cancellable Agreements

If you are not ready to commit to a long-term contract you can rent capital equipment and cancel with notice.

Traditional Operating Leases and Finance Leases

Whether you want to own the equipment, or simply pay for the use of it, we have a solution.

Pay Per Use Models

Apart from usage of the equipment, payments also include extra costs like service and disposables and can be paid easily out of the operational income.
